Robots @ The Libraries

R@TL is an event aimed at getting robotics teams (FRC-FLL) to do robot demos at their local libraries to help kick-off the summer reading program.

How to participate:

1. Teams, contact your local libraries. Libraries, contact your local robotics teams. If you need help, please contact Team Cold Logic (see below).
2. Plan an all-day robot demonstration at the library during the week of May 4th – 11th.
 - Traditionally, teams allow the community to try their hand at controlling the robots, however this is not required.
 - Libraries, use this opportunity to tell patrons about your S.T.E.A.M. programs!
3. Spread the word! Get the community excited to learn more about their robotics teams and FIRST!
4. Send your pictures to Team Cold Logic :
